

AN OFFICIAL PRESS RELEASE

Lamm Properties Inc.

Lamm Properties Inc. Represents TransAm Trucking Inc. in Its 20,000 Sf, 3.6-Acre Tampa Florida Expansion

TAMPA, Fla., April 3, 2019 (Newswire.com) - Lamm Properties Inc., a Tampa, Florida based boutique commercial real estate brokerage firm represents TransAm Trucking Inc. in its expansion into the Florida market. TransAm signed a long-term lease for a 20,000 SF free-standing industrial facility on 3.6-acres at 7750 Professional Place, Tampa, FL in 301 Industrial Park located in the East Tampa industrial submarket in the I-4 Corridor.

Founded in 1987, TransAm Trucking earned its status as the premier carrier in the temperature-controlled freight industry by providing its customers with superior service that exceeds their expectations. Initially founded with 70 tractors and 100 trailers, TransAm has expanded beyond its first Kansas City, Missouri facility and now operates a fleet of over 1,000 tractors and over 1,900 trailers out of its headquarters in nearby Olathe, Kansas. TransAm also maintains a fully staffed terminal, driver's center and maintenance facility in Rockwall, Texas as well as its new maintenance and orientation facility in Tampa, Florida.

Lamm Properties Inc. is a boutique real estate brokerage firm based in Tampa, Florida. We live, work and play in Tampa Bay. Unlike most Real Estate firms in the region, we've grown up right here. For 40 years we've lived and worked in the Tampa Bay area. We are a "one-stop-shop" for commercial office, industrial distribution warehouse and flex properties in Tampa. We have completed multi-million dollar transactions from the disposition of entire industrial parks to representing, marketing and leasing millions of square feet of warehouse and office/flex projects for the largest institutional landlords and national tenants. We pride ourselves on our local market expertise and experience while providing integrity, service, and results for our clients.
